

SAVE ENERGY,
SAVE MONEY,
COLLECT \$50.

Fridge and Freezer Recycling Program

*IF IT WORKS, WE'LL
HAUL IT AWAY AND
GIVE YOU **\$50** FOR IT.*

Fridge and Freezer Recycling Program

- Get \$50 per appliance (max. of 2 per year)
- Easy and convenient haul-away
- Proper recycling
- Save energy and money

Why Recycle?

According to ENERGY STAR®, refrigerators and freezers manufactured 30 to 40 years ago use nearly two times the amount of energy each year compared to today's high-efficient ENERGY STAR certified refrigerators. And, in one refrigerator alone, about 200 pounds of parts can be responsibly recycled to produce new materials, including steel, aluminum, and glass. So what are you waiting for? Ditch that old energy hog, start saving energy and earn \$50!

How it Works

To qualify, the refrigerator or freezer must be full-size (7.75 cubic feet or larger), operational, empty and accessible for removal. After you sign up, our recycling partner, ARCA, will make an appointment with you to have a trained team haul away the qualifying appliance. Weekday, evening, and Saturday appointments are available.

Sign up today at lge-ku.com/recycle or call **800-356-5467**.
