

Auto Pay Application Form

Auto Pay is one way to make your life more hassle-free when it comes to paying your energy bill. With Auto Pay, you won't have to write a check or buy a stamp. A checking account is all you need to enroll. In three fast and easy steps, you'll be saving time and money.

- 1 Print this page and complete the Auto Pay application.
- 2 Make a photocopy of a canceled or voided check from your checking account.*
- 3 Fax the application and photocopy of your check to **502-627-2946** (LG&E customers) or **859-367-1312** (KU/ODP customers).

It's that easy. We'll sign you up as soon as we receive this information from you, and you'll never have to write us another check as long as you stay in the club. Participation in Auto Pay can be canceled at any time.

Sign up for our Auto Pay program and have your monthly payments conveniently deducted from your bank account. More than 100,000 customers currently participate in this time- and money-saving program each and every month. Once enrolled, your monthly payments will automatically be deducted from your bank account on the payment due date.

As an Auto Pay customer, you will still receive a monthly billing statement in plenty of time to verify the information on your statement and to record the amount and date of the automatic withdrawal. Please note that any past due balance on your account will be debited from your bank account immediately upon enrollment in the Auto Pay program. To avoid unintended debits to your bank account, please make sure your account balance is current before enrolling in Auto Pay.

With Auto Pay, you'll still receive a **copy** of your bill each month so you'll know the amount of your bill, the date it's due, and your monthly energy usage. About two weeks before your payment due date, we will mail you a **copy** of your bill marked, "\$XX amount of dollars will be deducted from your bank account on the payment due date." We'll send your bank a statement telling them the amount of your bill and the date it is due. Your bank will deduct the amount of the payment from your account **on the payment due date**, so your money stays in your account until that date. A charge of \$10.00 will be applied to your account if your bank account contains insufficient funds to cover your payment.
